Exceptional taste, sustainably created

Vision Statement

To provide awesome, ethical, planet-saving catering

Mission Statement

We're passionate about helping Welsh venues thrive, by supplying great-tasting, local and sustainable food & drink; always with a smile!

Core Values

- We're not getting any younger so we're working to help the next generation take over from us.
- It's our planet & we're working hard to make sure there's lots left once we're gone.
- You'll never see us have a bad day at the office.
- We want our customers to have incredible food and drink with an awesome level of service, without impacting on their carbon footprint.
- Whether you work for us or we work for you, we're all one team.
